Welcome Back!

The new school year is just around the corner and we are gearing up for another great year at Mossyrock Jr.Sr. High School. I hope everyone had a great summer. I am looking forward to seeing everyone and hearing all about it. Last year was a great year and this year is going to be even better! Education brings with it many things to celebrate and challenges as well. My staff and I are committed to helping every student move forward. My door is always open. Feel free to contact me any time.

Lori Courtney, Principal

Mossyrock Schools are now CEP for Lunch & Breakfast

This past year Mossyrock Schools have qualified for the Community Eligibility Provision of the National School Lunch Program. That means that for the next three years (22-23, 23-24, and 24-25) all students will eat breakfast and lunch for free. This also means that we will not be taking Free and Reduced Applications, but will instead be required to take income surveys to ensure we are being funded for the Title programs.

Note from New Elementary Principal

Welcome back to all of the Mossyrock Elementary families. I am so excited to be here this year as your new Elementary Principal. I hope you have been enjoying your summer and you are refreshed and ready for another exciting school year.

Let me take a moment to introduce myself to you. My name is Julie Hills. This is my 33rd year in education. I spent 24 years teaching in the classroom and I have spent the last eight years in administration. I am married and have two grown sons that are both teachers. One works in SW Washington and the other in the Tri-Cities area. My husband and I love the Mossyrock area. We bought a house here three years ago and plan to retire to this beautiful community. During my time away from work, I love to spend time out on Mayfield Lake. You can often find me in the summer on a float with a book in my hand. I also love to garden and spend time with family and friends.

I can't wait to get to know you and your family and I am looking forward to an excellent school year!
